

RAE'S

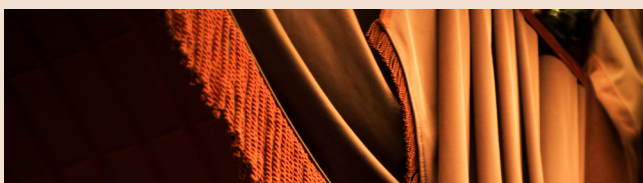

RAE'S VENUE HIRE

Our newly refurbished space Rae's is located under a railway arch just a 5-minute walk from London Bridge station.

We have an impressive late licence and can provide a fully staffed bar. We are also neighbours with four different street food vendors who can provide event catering.

Ideal for Christmas, cabaret and live performances, Rae's is the perfect watering hole for your late-night get-togethers.
