OMEARA BAR

Candlelight cocktail bar with an edge

The Omeara bar sits in the heart of the venue, with ambient lighting and classic booth seating.

The central bar is the focal point and an ideal location for a drinks reception.

OMEARA MEZZANINE

Upstairs urban bar with a twist

The Mezzanine is a versatile space with a bespoke bar and DJ set-up that works for any celebration.

You can hire the area and gain access to our worst-kept secret, our Mediterranean-inspired terrace, which is heated and covered for all year-round events.

THE TERRACE

Positioned in the eye line of London's iconic Shard

You can find The Terrace, Omeara's secret gem, upstairs, just off the Mezzanine floor. A sun trap oasis, The Terrace is bustling with energy and is the quintessential spot for bespoke summer parties!

Available to hire with the Mezzanine.

A peek behind the curtain of mystery and excess

On one side of a door, picture an unassuming London street under a railway arch. On the other side, a world of decadence and glamour.

Inspired by the great cabaret halls and studios of days gone by, Rae's is unique and intimate, as well as the ultimate VIP lounge. Ideal for a small standing reception, Rae's benefits from a late licence, so you can keep the party going.
